

GREAT DAY IN LIVE OAK

TUESDAY.

AND WHILE YOU ARE SEEING THE SIGHTS

We cordially invite you to make our Store your headquarters

This will be the opportunity of the season to select your Fall and Winter Dress Goods, Ladies' High Class Tailored Suits, Evening Coats, Rain Coats, Men's Clothing, Hats, Furnishings and Shoes. Examination of our stock will convince you that we can save you money. Hundreds of handsome patterns—all new goods—are open to your inspection.

Dress Goods

Of all the different shades in shadow Plaid Suitings, Broadcloths, Poplins, Grainites, Serges, Cashmeres, Panama Cloth and many other fabrics that we haven't time to mention now—they are here for you to see and our salesmen will be glad to show them to you.

Clothing and Furnishings

There are many good reasons for buying your Fall Suits here. Tuesday you will be here to see the Big Circus and while here, you just as well examine our Suits for Gentlemen. Our stock of Men's Furnishings represent the best lines obtainable and their value is paramount to anything shown in this city—see them and know for yourself.

House Furnishings

Little use discussing the question as to where to buy your Furniture, Carpets, Matting, Art Squares and Rugs. We have always given you the best in this particular line of merchandise. Our stock is the largest in many seasons and when you are shown through this department you will know how to buy and also where to buy—see Mr. Henry, he will tell you.

They mean **DESIRABLE, DEPENDABLE** goods at lowest price. There is a point where low prices cease to represent good value—a point at which mere cheapness in cost means wasteful outlay. That point is never touched here—moderate prices, often cut to extremes, but never at sacrifice of quality—our prices always represent goods of merit.

NO BETTER SHOES TO BE HAD FOR THE MONEY

While in the city, make our Store your headquarters.
